The Lord Is the One True God

The Lord reminds us that He is the one true God, who guides the course of history and calls each person according to His purpose. Even when we do not fully understand His plans, God is at work in our lives, opening doors, guiding our steps, and leading us toward His will.

Through the prophet Isaiah, we are reminded that God's power and love extend to all people, from the rising of the sun to its setting. May we trust in His wisdom, remain faithful to His calling, and recognize His presence in our daily lives.

"I am the LORD, there is no other."

29th Sunday in Ordinary Times

An Alliance in Christ

The Pharisees and Herodians united against Jesus despite their differences, revealing how pride and self-interest can create false unity. True Christian unity, however, is built on Jesus Christ, rooted in truth, humility, and love.

Let us examine our own hearts and ask whether we seek our own agendas or God's will. May Christ unite us in faith and charity, so that our lives may glorify God and reflect His love.

Jesus, help us set aside our pride and personal ambitions, seek Your will above all else, and live in unity through Your truth and love. Amen.

Cenacle Holy Hour every Wednesday at 6:00 PM

As the Apostles prayed with Mary in **the cenacle of the Upper Room**, preparing themselves for the **coming of the Holy Spirit**, so in the cenacles we **pray the rosary with Mary asking through the intercession of her Immaculate Heart for an outpouring of the Holy Spirit.** We reflect on her words given to don Gobbi, we pray for our Holy Father and make our consecration to her Immaculate Heart.
"And so, in cenacle with me, you are preparing the second Pentecost which is about to come so that, through the irresistible power of the Spirit of Love, the Church may be healed and the whole world renewed" (M294p).
St. Louis de Montfort in True Devotion to Mary mentioned, that "When the Holy Spirit, her spouse, finds Mary in a soul, he hastens there and enters fully into it. He gives himself generously to that soul according to the place it has given to his spouse. One of the main reasons why the Holy Spirit does not work striking wonders in souls is that he fails to find in them a sufficiently close union with his faithful and inseparable spouse" (36).
